

NOTE: When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government hereby asserts no responsibility, nor any obligation, for the use of such data. It is the responsibility of the user to obtain any necessary rights in any patent or other intellectual property rights that may be required for the use of such data. It is the responsibility of the user to obtain any necessary rights in any patent or other intellectual property rights that may be required for the use of such data.

NOTE: This drawing was prepared by joint action of the Air Force and Navy Departments as the Air Force-Navy standard for this product. This drawing supersedes all unapproved standard drawings for this same product and shall become effective for the procurement of aeronautical supplies, or for use in any design, not later than 6 months after the latest date of approval shown.
